Issue Two, Week Three Term Two 2018

Baden Powell College B.S.S and Parents and Friends

Parents and Friends hope you have enjoyed the first few weeks back for term 2. We are very excited for all the wonderful events we have planned for this Term!

Next week is our Mothers Day Stalls

- **Tuesday 8th May** at DH Campus - - **Friday 11th May** at Tarneit Campus

We love to see the children picking the perfect gift for their Mothers and wonderful women in their lives. We have a large range of products available this year ranging in price from \$1 - \$6 All Primary students will have the chance to visit during class time and senior school students are welcome to come in during their lunch break. If you would like to help us on stall day please fill in the form sent home or let us know on our Facebook Page (*address above*).

Term two brings with it colder weather - perfect for the Derrimut Heath Campus' Tony's Pies fundraiser. More information will be coming home shortly regarding how to make your purchases. Tarneit can look forward to Tony's Pies next term, just in time for the Footy finals! In the mean time, Tarneit will be undertaking our annual Cadbury Fundraiser. This year we are only sending boxes out to the eldest member of the family from Prep - Grade Six students. The students in Years 7-9 are more than welcome to sell a box, but they will have to collect them from the Tarneit front office *from Monday 4th June*.

This term, meetings will be held in the **Tarneit Campus** Staffroom. The next meeting will be on **Monday 14th May at 7pm**, We would love to see as many of you as possible, feel free to pop in and see what's happening and how we are helping our school.

For further information regarding Parents and Friends activities as well as the opportunity to Buy/Sell/Swap college uniform items, head to the Parents and Friends Facebook Page:
