Shah Ortell
Well Being at Baden Powell College

Welfare Focussed Programs

I am proud of the number of programs we are able to provide for our students who at times struggle with their social skills. It is important that we also provide opportunities for students to practice their interpersonal skills. Currently we have 2 programs operating; CASEA is run each week for 8 consecutive weeks which enables students in years 1-4 to understand their emotions and learn what to do when they feel angry, anxious or upset. Another program currently in progress is FisT – Feeling Is Thinking. This program is aimed at students in 1/2 or 5/6. FisT is a program that focuses on working with students who experience difficulty in appropriately expressing their strong feelings and emotions and who struggle in successfully resolving conflict.

Both of these programs are coordinated by Sam Carlton [Leading Teacher; Student Engagement and Wellbeing] with support from Sam Mahoney (Social Worker) and Phyllis Mifsud (Language Support ESO).

Ensuring a Safer Community:

It has been brought to our attention through the Wyndham Police that there have been anti-social behaviour arrangements made on social media. Whilst we encourage our students to resolve grievances peacefully and instil calm conflict resolution strategies, we would hope that these values are practised beyond the confines of the school environment. We would caution all students not to participate (either actively or as bystanders) in any organised anti-social behaviour on social media. I ask as parents to monitor your child’s behaviour at all times while using various social media apps.

Working Bees for the College

We have scheduled a Working Bee for Saturday the 18th of June at Derrimut Heath. This is very much a School Yard Blitz as we have quite a few trees and shrubs that need a prune and some garden beds that need a brutal weed and clean. I have been promised lots of males with chain saws and lots of people, young and older who will arrive at sometime between 10 am and 2pm to spend an hour or so at the Working Bee. Now at the Tarneit Campus I have some fabulous teachers who have commenced a Garden Club that meets and works for an hour after school. They would love your help so either call in to see Shirley Lamb or leave your name at the office and we will call you if you are prepared to help. Believe me things will get done if you just help us out a little!

Catch Up / Get Ahead Friday

I am just delighted with the work that is being done on the last hour of the day each Friday. Teachers have agreed to provide some focussed work to children who may need a little more time to learn something new for them. It will almost certainly involve more work on the basics with reading, writing and number. Now for some of our students who are performing at a high level it will mean some extension work to challenge them. When your child gets home from school each Friday, ask if they did some catch up/ get ahead work. Ask them it is helping them to learn more, improve and feel good about the day.

Education Week

I know that many of you had the opportunity to come to school last week to visit your child’s learning space. I know that your children just loved the fact that you took the time to come and see them learning at school. We are very proud of the work that we do for your children and I would encourage you to keep in regular contact with your child’s teacher and ask your child to bring home work to show you so that you can see the improvement in handwriting, story writing and mathematics. If you have time do come up to the learning spaces and pop in to see the work on display. If you have a question about your child’s learning do call the teacher concerned rather than wait and worry. We would say that Education Week is every week at Baden Powell College. I am particularly pleased to see those wonderful men who came up for Blokes Day. This initiative is a regular part of Education Week and I encourage those blokes, who came perhaps for the first time, to comeback often.

College Start Times

I need to remind you that school starts at a designated time and indeed we ask that all children are in the school ready to enter their learning spaces and get ready for a day of solid learning ten minutes before the bell rings. I am concerned about the number of children who arrive late and miss that wait and worry. We would say that Education Week is every week at Baden Powell College. I am particularly pleased to see those wonderful men who came up for Blokes Day. This initiative is a regular part of Education Week and I encourage those blokes, who came perhaps for the first time, to comeback often.

Yours in Education, Looking Forward, Staying Ahead,

Julie Mason
College Principal

LAST FEW DAYS OF BOOK FAIR FROM CARNIVAL BOOKS

Book Fair Dates:
Monday 16th - Friday 27th May

Hours:
8.30 am to 3.45 pm at the Derrimut Heath Campus
8.15am to 3.30pm at the Tarneit campus

Compass is the cornerstone of hundreds of schools around Australia, enabling better communication, better processes, and better engagement. This system will be available anytime of the day via the internet or an App which will be able to be downloaded to your computer or smart phone. You will be sent individual log on and passwords shortly so that you can log on to view your child’s reports. A letter should be sent home on Friday 17th June.

Please don’t forget this Thursday is the day set aside for Australia’s Biggest Morning Tea. We would like our students to participate in this day by helping to raise funds for Cancer Research. We are seeking donations of small cakes and slices that the students will be able to sell at a minimal cost of up to 50 cents per item. Small items will be greatly appreciated so there will be no slicing required. Suggestions are patty cakes, muffins, biscuits, slices, honey joys, chocolate crackles, marshmallow cones etc.

Please be aware that some of our students suffer from allergies to various foods, nuts being one of the key ones. We would appreciate if you could please avoid using products containing nuts, nutella or even peanut oil and ensure that all food is labelled with the ingredients used.

Our Earlyact Students will sell the donated goodies at recess and leftovers at lunchtime.

Donations of morning tea items can be left in the interview room at Derrimut Heath and in the 1/2 Gallery area at Tarneit on the Thursday Morning. We appreciate and value your support in raising money for this worthy cause.
PLEASE REMEMBER THE CHANGE IN THE NETBOOK PROGRAM AS BELOW - BRING YOUR OWN DEVICE (BYOD)

“Technologies that facilitate the co-creation of knowledge or those that encourage self-discovery and personalised learning opportunities are especially valuable in providing stimulation and creativity to all learners. Using these, students and teachers can access new knowledge, communicate with experts outside the College and tap into resources across geographical boundaries, as well as collaborate with parents and the local community.”

We are still investigating a variety of options for students to bring a personal IT device to class, use in class and take home to follow up on coursework. And will keep you informed.

**Bring a Device from home.**
A device that meet the schools specification requirements can be brought from home and used at the school.
There will be a charge for the technicians to install the schools software and image onto these devices

**Netbook & Notebook: suggested by school via a third party company**
I am currently working with Edunet to set up an online portal where you can:
- Select the device you would like (3 computers and 2 ipads offered)
- Add insurance, warranty and a case
- Pay directly to this company as they can provide interest free credit to assist you in purchasing a device.

This portal will be available shortly and the address will be displayed in this College Newsletter and on our website.

**IPad**
Student can bring IPads into the college and we will connect them to the Internet.

On the school website (http://www.bpc.vic.edu.au) is a list of Apps that teachers have identified as being beneficial to students in each year level. Under the newsletter tab: Books & Apps for Home Fun & Learning. We will continue to update this list

Please see this list and make sure that your child comes with these apps already installed (The College will not be downloading apps for the students)

**Minimum requirements are: IPad2 or 3, IPad mini storage size not less than 16Gb.**
IPads can be brought to school and taken to the technicians for access to the Internet

**BPC 1:1 Netbook Program**
2014 & 2015 netbooks will continued to be supported. No netbooks can be returned as each lease is for 3 years.

Previous netbooks on the 1:1 program can sstill be used at the School and please continue to bring these devices in and take to the technicians for access to the internet and to make sure you have the school’s Edustar image already installed. Please be aware that all warranty and insurance on these devices has now expired, but as a school we will endeavour to assist as required.

If anyone would like to join this program for a 1 year lease or 2 year lease please contact Lesley Besanko

**2012 Netbook**
We currently have a few netbooks that can be purchased for $75 that can be imaged for your child to use in their classroom. Please be aware these machines are second hand and come with no insurance or warranty. For more details please contact Lesley Besanko

Please be aware that the college will not accept any responsibility for any devices brought to school, stolen or damaged. Devices brought to school are not covered by BPC and Department Of Education insurance. The College strongly encourages personal insurance or Apple Protection Plan.
What's happening at OSHC

How quickly the term goes by and how much fun are we having with our children, lots of smiles and fun for all. We have been having some great food with our high tea once a week looking at table manners, conversations and trying different foods. The children love to help prepare the food and the tables with table clothes plates and cups. The children also take turns at being waiters and making sure that everyone has the opportunity to try all the foods available. It is also a chance introduce different foods to the children.

Looking for something fun to do these holidays?

Operating all day, every day during the school holidays, with the exception of public holidays, we've got heaps to do at our Baden Powell College Tarneit Holiday Club! We're planning many different incursions such as Making a talking money bank, silent disco, Racing and sports day, creating an Olympic torch, making a dance mat and our excursions of the Movie Dory and going to Bounce for a trampoline day. We will be doing much more but we need lots of children to make it extra fun.

The best part about our Holiday Club? Because Camp Australia is a fully approved child care service, you can save 50% or more off the program cost with the Child Care Benefit and Rebate. If you’d like to register, or to find a Holiday Club closer to work or home, visit www.campaustralia.com.au for a full list of Clubs.
EDUCATION WEEK

Thank you to all our visitors
BLOKE'S DAY

Thank you to all our visitors
With only four weeks left of term we still have more to enjoy. Tarneit will be receiving their chocolates this week and Derrimut Heath will have the opportunity to purchase the great Tony’s pies. The perfect easy meal for this cold weather, and remember you can always put them in the freezer. Tarneit will be able to order them next term, with Derrimut receiving their chocolate carriers then too. There will be spare carriers of chocolates available at the office if any family wants more than one. Thank you to everyone who helped with the distribution it is a huge task and we appreciate your help.

Our next meeting will be Tuesday 14th June and we would love to see you there. It starts at 7pm in the Derrimut Heath staffroom.

As mentioned in our last newsletter we had a wonderful suggestion of organising craft sessions where we can have fun being creative. Not only can we learn various crafts we can make things that our students may like to buy from future stalls. Nothing is nicer than an item made with love. If you would be interested in joining us for creative sessions please let us know so that we can pursue your preferences. If you are interested please complete the form below or alternatively you could email Sue Love on love.suzanne.s@edumail.vic.gov.au.

TIMES:
Please don’t forget: Tarneit Online Lunch Orders available
For our Tarneit Families only

Our Online Canteen

Your school canteen is now online!

SAFE EASY FREE

Our Online Canteen is an online ordering system that is a safe and convenient way to order school meals.

Congratulations!

Your school has made an important change by registering for an online ordering system. This was enable a more efficient and effective service available to you and your family.

How to get started:
- Visit www.ouronlinecanteen.com.au
- Sign up by completing the registration form
- Receive a confirmation email with activation link
- Activate your account and login to the website
- Add your children and credit to your account
- Order at your own convenience

1. SELECT STUDENT 2. SELECT YOUR DATE
3. ADD YOUR ITEMS 4. CONFIRM

www.ouronlinecanteen.com.au

Why has your school gone online?
Our Online Canteen is an online ordering system which is an easy and convenient way to order from your school. It enables you to order meals, uniforms etc.

Is the website safe and secure to use?
Yes. Our Online Canteen information is stored in Australia. We have the SSL certificate which is used whenever any financial transactions are performed and we are PCI DSS approved for secure financial transactions.

How can I add credit to my account?
There are three ways to add credit to your account: PayPal, Credit Card and Direct Deposit.

What do I do if I need help?
If you are experiencing any issues, you can call our experienced team on 1300 116 637 or email us at info@ouronlinecanteen.com.au

Benefits:
- Supports the school
- Saves time and money
- Safe, secure and easy to use
- Exclusive discounts and prizes
- Customer support line

Support line: 1300 116 637

Don’t set a poor example when it comes to road safety!

Children will copy your example – good or bad.

Set a good example by always using safe crossing places.

ROAD SAFETY AROUND SCHOOLS BEGINS WITH YOU!
Thank you to our amazing sponsors who are supporting our Carnival, please support them.

Thank you to all of our wonderful sponsors for your support.
Baden Powell College would like to sincerely thank the wonderful sponsors for our Breakfast Club that we run twice a week at each campus. Without the support of the magnificent Sikh community and these generous companies we would not have been able to provide for the many students who enjoy breakfast at school. We sincerely thank you from the staff and students of Baden Powell College.

Welcome to Baden Powell College and the smooth beginning of your child’s school year!!

We have had a wonderful start to the 2016 school year with the students enjoying their first few days. To enable us to keep you informed of special events, celebrations and activities the Baden Powell College Newsletter will be available on our website each fortnight throughout the year. As it is one of our major forms of communication we would like to make it easy for you to have regular access to each issue so we have listed the dates of availability below, we will be emailing it to our families as well. Please take the time to read it so that you know what is happening at your child’s college. Simply go online and type in: www.bpc.vic.edu.au We would like to point out that it may be necessary for you to have Adobe Reader on your computer to access your newsletter.

Not only will you be well informed and enjoying colour photos, when perusing online, you will also be helping our environment. However, should you not be able to access a computer and would prefer your newsletter in printed form please complete the slip below.

If you have previously received hard copies of the newsletter you will be required to complete the form again so that we have updated details. Please complete the form below and return it to the office at your earliest convenience to enable us to provide your child with the printed copy of Baden Powell News. Have a wonderful term.
