Child Safe Standards

We have recently completed an audit of our policies and procedures to see if we are compliant with the recently introduced Child Safe Standards. We believe that we have a culture of child safety and are committed to do whatever it takes to keep your children safe at school. As we all know teachers are mandated to report disclosures that children make in relation to physical and sexual abuse and sadly at times we need to make those reports to the Department of Health and Human Services. We have modified some of our documents to create a Child Safe Code of Conduct for our staff. We will maintain ongoing professional development for our staff in matters related to risk assessment so that early support can be provided to children and families, and we will develop a Strategy plan to ensure the promotion of our commitment to the Child Safe Standards at our College. I will keep you informed over the next few months as we work towards full compliance in relation to the Child Safe Standards.

Father’s Day Stall

I do hope that all the Dads who play such an important role in each child’s life enjoyed their special day with the presents lovingly selected by children at the Parents & Friends Father’s Day Stalls. The Parents & Friends Group meet each month, and have an annual plan of fundraising activities that increase the resources we have to teach your children. They have a fabulous Halloween Disco planned for the children to enjoy in October and will provide treats for the College Concert evenings coming up in November. I am very grateful for all the generous work that is done by this wonderful team of women and man!

Over the Holidays

I am sure that your child is looking forward to a well-earned break as indeed are the teachers. I do ask that you encourage your child to read each day over the holidays. Maybe you could go to the Library for a visit and spend some time reading books. When you go to special visits maybe your child can take a photo and write a short message to me. How about you give your child a small amount of money to help you with your weekly shopping! Any opportunity that you can provide to help you child continue to learn over the holidays will be terrific.

College Information Evenings

We have information evenings planned for the second week in Term 4 essentially for families who are new to the College and have a child starting with us in 2015. There is though, an open invitation for any families who have children currently at the College who may have arrived late this year to attend as well. The information evenings are on the 12th of October at Derrimut Heath in the Gym and on the 13th of October at Tarneit again in the Gym.

School Surveillance

Sadly over the holiday period schools seem to be a target for robberies and graffiti and this is an enormous cost factor for us all. Please keep an eye on our two schools over the holiday period. Please call 000 or 95896266 if you have any concerns, especially if you see people on the roof, large groups of young people in the school grounds for no apparent reason.

Payments by BPay

“Did you know you can pay for school activities via Bpay? Please contact the office for your families unique reference number”.

Wishing you all a restful holiday and enjoy a relaxing time with your children.

Yours in Education, Looking Forward, Staying Ahead,  
Julie Mason  College Principal

**2016 WYNDHAM SPELLING BEE !!**

Baden Powell College is extremely proud of two of our fine students Aarya Dasgupta (Grade 3) and Haritik Sharma (Grade 6) who attended the Wyndham Spelling Bee at the Wyndham Cultural Centre. They did really well and were wonderful representatives of our College. Well done Aarya and Haritik.

Harry (Haritik) Sharma wrote,

“I was feeling very nervous and excited on the night and very grateful to be representing Baden Powell College. In preparation, I memorised words from the spelling list given to me, in order to succeed at the school level competition. To move forward in the competition I used my prior knowledge and collectively memorised grammar and word consonants. I feel very proud to have represented my school in the 2016 Wyndham Library Spelling Bee. There were 17 schools competing”.

**TARNEIT YEAR 7, 8 and 9s COLOUR RUN FRIDAY 16th SEPTEMBER**

The colour run is being held on the last day of Term 3, 16th of September. The colour run will include runners that run a circuit while being hit by people that throw colour powder. There will be an entrance fee of $2 and the money raised will be going towards underprivileged communities and schools in Cambodia. The colour run will also be selling cordial to the runners after the event, as this will also support our fundraiser for Cambodia. Your support is appreciated!
District Athletics

On Friday the 2nd of September the Derrimut Heath campus competed in the District Athletics Tournament at the Hoppers Crossing Athletics Track. Derrimut Heath competitors worked very hard in all of their events and finished third overall.

Derrimut Heath has eleven students that have qualified for the Division Athletics Tournament on Tuesday the 13th of September and I would like to take this opportunity to wish them the best of luck. Any students that are successful at the Division Athletics Tournament will then progress through to the Western Metropolitan Regional Athletics Tournament that will be held on Tuesday the 11th of October.

FREE DRESS DAY ON FRIDAY
WITH SPORTS THEME

Students and teachers are encouraged to come dressed in the colours of their favourite footy or sports team for our footy dressup day on Friday. It is a gold coin donation to wear your favourite sports teams gear.

Assemblies will occur in the morning, as normal on our last day of term, the rest of the day will depend on the weather.

Derrimut Heath will enjoy their footy lunches. However, Tarneit will have a footy colours parade if it is dry.

The Interacts’ “Colour Run”, will be a highlight for the senior grades.

This will be a wonderful fun and inclusive College event for a big term where much has been achieved. We hope for a great celebratory last day of term.
HOOP TIME

On Thursday the 8th of September the Derrimut Heath campus sent four teams to compete in the grade five and six Hoop Time competition. Our All Star boys’ team came second in their division with a very close grand final game against Bethany Primary School. Our Future Stars and Rookies tried their very best all day and came away with a mixed bag of results. A few wins, draws and a few losses were shared between all teams.

Baden Powell Community,

As stated in the last newsletter staff are now using the feature of News feeds on your home page to share College News. This can be specific to your child’s class, team, year level or campus.

Please check Compass regularly as all College Newsletters are also on here. A courtesy email is sent to notify you that something new has been added to Compass.

Please make sure every time that you access Compass to check that your child’s absences are up to date. You are able to authorise student absences via Compass.

**Calendar Update:** Each day that you log in to Compass you should now automatically see the events that are happening across the College. Please note they will specify the relevant campus and grades that are participating each day. If you do not see them automatically in your newsfeed you can go into your calendar and see the events of each day.

We still have a number of parents who have not logged on to Compass and have therefore not received their child’s report or regular valuable information. Please share your positive feedback with your friends and check that they have managed to log on.

If anyone needs any assistance in logging on to Compass, please speak to one of our friendly and helpful administration assistants.

If you haven’t downloaded the application on your phone or iPad don’t forget you can have easy access with our website.

There will be plenty more coming your way about Compass over the coming weeks, so watch this space!

*Compass Caretakers*
Daniel Screen & Lesley Besanko
We always welcome family involvement and encourage Parents and Grandparents to come along to our events such as stalls, Subway counting, support during Portraits or even helping at performances. So if you can spare some time please consider coming along. We do have a Bunnings sausage sizzle coming up and will need helpers. As you are aware, next term will be a busy one with the Family Portraits, the Halloween Disco and Toynetworx shopping evening. But we would like to remind you to book your photos online, and watch this space for further information regarding the sale of Disco tickets. However if you are interested in a great night of shopping for Christmas presents, the wonderful Toynetworx fundraiser is only $10 per ticket. Simply enclose the money in an envelope marked with the number of tickets, your name, child’s name and grade and contact details. Happy shopping!!
Dear Baden Powell community,

Parent and Friends have been given the opportunity to sell sausages at Bunnings in Old Geelong Road on Saturday 12th November. It will help us raise funds for our wonderful College. We are seeking helpers to join us in the cooking and selling of sausages at Bunnings. Unfortunately for safety reasons we cannot allow children under 15 to assist.

We hope to have as many hands as possible and only ask for a short period of your time. However, if you can stay longer we would be extremely grateful, please return the slip below by Friday 4th November.

In appreciation
Parents and Friends

What's happening at OSHC

How quickly the term goes by and how much fun are we having with our children, lots of smiles and fun for all. We have been focusing on raising funds for the Smith Family. We have raised funds through various activities such as raffles, drawing, paper plane flying competition. The school has also offered to support us with a $200 as Tayla and Charli Rose approached Ms. Mason on behalf of ASC. The grand total is approximately $330 a great effort while having lots of fun. CA have introduced a new healthy eating program introducing new recipes and foods into the service. There has been some mixed reactions to the reduced sugar but generally the new foods have been a great new addition to our menu.

Looking for something fun to do these holidays?

Operating all day, every day during the school holidays, with the exception of public holidays, we’ve got heaps to do at our Baden Powell College Tarneit Holiday Club! We’re planning many different incursions such as our healthy eating incursion with great cooking experiences, creating performing puppets, making foos ball game and our excursions of the Movie Secret life of pets and going to Dizzy’s play centre. We will be doing much much more but we need lots of children to make it extra fun.

The best part about our Holiday Club? Because Camp Australia is a fully approved childcare service, you can save 50% or more off the program cost with the Child Care Benefit and Rebate.

If you’d like to register, or to find a Holiday Club closer to work or home, visit www.campaustralia.com.au

Our Annual Arts Evening
Every year TSC runs an Arts Evening which celebrate the talents in our Arts, Music and Performing Arts departments. This year’s Arts Evening was a resounding success with a little cultural flavour added to the mix. Thanks to our new wellbeing centre, our Pacific Islander Worker and African Worker organised some wonderful cultural performances for all to enjoy. Our Music department highlighted the amazing talent of some of our students who, despite their nerves, performed beautifully. The many displays of artwork, visual communications work and robotics further showcased the gamut of talent that resides at Tarneit Senior College. It is a night that we are always proud of.

Baden Powell College would like to sincerely thank the new Coles store at the Hoppers Crossing Shopping Centre, right next to the railway station, for their generosity in donating the bread to our Breakfast Club each week. We sincerely thank you for your generous contribution ensuring our students start their day with a wonderful breakfast.

Baden Powell College would like to sincerely thank the wonderful sponsors for our Breakfast Club that we run twice a week at each campus.
