Traffic around School
Sadly we had a visit from a crossing supervisor last week and she was very distressed about the number of drivers who blatantly ignore the road rules and in doing so put at risk the safety of children and indeed her!
We all know the traffic around our schools can be quite challenging, but I urge you to obey the road and parking rules at all times as both the police and the traffic management section of Wyndham City Council do come to our schools on a regular basis and some people have received infringement notices. Please do not park across the driveway of neighbourhood houses. I encourage you to insist that your children use the school crossings. There are 3 school crossings at the Tarneit Campus and 1 at Derrimut Heath and too frequently we see children crossing very busy roads without using the school crossings. This is particularly important for students who ride bikes or scooters as well. Please help us to keep your children safe in and around our College.

Student Leaders Badges
We have several very proud students who have secured leadership positions at our College. As is our usual practice we invite the Mayor of Wyndham to attend a special Assembly where the badges are presented and photos are taken. Due to the availability of the Mayor this Assembly will be held on Friday the 15th of April. In the meantime our student leaders are busy living out the role in a wonderful manner.

College Evacuation
Next week we are having a planned College Evacuation off site. Now normally we would not necessarily tell you about the routine evacuations that we practice each Term, but given the current situation with prank calls to schools, we thought that we would alert you to this matter. It is not necessary for you to be involved and when your child comes home and tells you about this evacuation you will have been made aware of the situation. Off site at Derrimut Heath means a short walk to the Hogan’s Road Reserve and at the Tarneit Campus it will be to the large area adjacent to the College. Obviously we do not inform people of the day or timing of the Evacuation to keep things as authentic as possible.

Book Boxes
I appreciate the fact that most families have collected the Book Boxes that students need to begin the school year. Some people decided to get their own supplies and that is fine except that there is a need to supply other items so that all children have access to shared classroom requisites. The costs associated with the Book Box also included funds needed to ensure that the Food and Wood technology program can run successfully for all students and that all students can have access to Mathletics and other such programs that come at a cost to the College. Letters will be sent to families should we need some extra support in this matter.

Inappropriate Student Behaviour
From time to time we have a situation where adults have been unhappy with student behaviour and decided to take action. We would prefer that you bring to our attention the behaviour that is a concern and allow us to deal with the situation. Tell us if our students are behaving in an unacceptable manner just outside the school grounds or before and after school within the grounds. We do not tolerate bad language and rudeness and aggressive behaviour that results in physical fighting will incur a formal suspension.

Bullying Behaviour
Please be aware that we have a zero tolerance towards bullying behaviour. Please ensure that your child reports any behaviour that makes he or she feel unsafe at school. We have a wonderful program called Peer Mediation operating at Baden Powell College and your child should understand that the Peer Mediators are in the school yard to help them at any time if they feel unhappy or unsafe. Chat to your child’s teacher or to a member of the College leadership team if you have concerns about bullying at Baden Powell College.

Value- Relationships
This month we are teaching your child strategies to help them make and keep friends. We are encouraging the students to show cooperative, caring and considerate behaviours and to understand that honesty, trust and loyalty are important in developing positive relationships with new people. In reality children learn these behaviours from birth and you play a very important role in the social development of your children. I encourage you to talk about making and keeping friends with your child and to always model the behaviours that you expect them to show. We say that Fabulous Friendships Begin in February.
Staff Car Park
I must insist that parents stay out of the staff car park when dropping off or collecting children from school. I have many staff members who travel across both our schools and need access to car parks from 7:30 am to 5:30 pm. I am also very concerned that children who walk through the staff car parks are at risk of being hit by a car. Please help me to keep our teachers happy and our children safe!

Change and loss are issues that affect all of us at some stage in our lives.
At Baden Powell College we recognise that when changes occur in families through death, separation, divorce or related circumstances, young people may benefit from learning how to manage these changes effectively. **Seasons for Growth** is facilitated in small groups and is based on research that highlights the importance of social support and the need to practise new skills, to cope effectively with change and loss.

The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and maintaining a support network.

**Seasons for Growth** runs for eight weeks and each weekly session is approximately 40-50 minutes.
There is no cost for this voluntary program. This program runs at both campuses across the year. Students are grouped into age and developmentally appropriate levels. If you feel your child would benefit from this program, please chat with your child’s class teacher.

If you would like your child to participate, please fill in the tear-off section below and return to their teacher as soon as possible. You will be contacted when an appropriate group is to commence.

Kind Regards,  
Sue Falla Asst Principal Welfare

Entries close Tuesday 15th March
No entries will be accepted after this day.
On Thursday 4th of February the 5/6 team went on an exciting incursion where Melbourne Storm players Kevin Proctor and Jordan McLean visited our school. The year level was fascinated by what they do before they play a match, they taught us about nutrition, sleep and hydration. We played lots of fun games like (Team Hulk and Team Batman). The whole 5/6 team loved their visit to Baden Powell College, at the end of the day they gave each student a wristband the 5/6 team a rugby ball and signed pictures. We greatly appreciated their visit to Baden Powell College.

Parents and Friends AGM

Monday 7th March in the Tarneit staffroom

All welcome for a 7pm start.
What's happening at OSHC

Welcome back to a new year at OSHC. A big special welcome to all our new families who are joining us this year, we hope you all are enjoying starting school and are enjoying your time here. Just a few reminders.

Please make sure your information is correct on your enrolment forms both in service and online. This is especially important if you have changed your phone numbers or people allowed to pick up your children.

If your child has a medical condition please list it on your enrolment form and if required supply us with the appropriate forms, if medication is required please be sure to bring it to the staff so that it can be stored in case of an emergency.

Be aware that if your child wishes to play outside in terms 1 and 4 they must wear sunscreen and hats. The hat doesn’t have to be a school hat it can be a hat from home. If your child has a sunscreen allergy or is unable to use certain sunscreens please supply your child with their own.

We are also looking forward to heading into our garden again this year, and the children are very excited to begin the planting of new seeds and watch them grow. We have been looking at Chinese New Year celebrations and craft and cooking activities this last week.

Kind regards,
Sue D and staff.

Volunteers Wanted!
We're looking for committed and enthusiastic people to volunteer as tutors in our Learning Support Programs in Laverton, Werribee and Tarneit.

The program aims to assist newly arrived young people from refugee backgrounds with their school work and basic literacy and numeracy skills.

There are five different session times:
- Laverton - Mondays 3:10pm - 5:30pm (Primary and Secondary)
- Werribee - Tuesdays 3:00pm - 5:30pm (Secondary level)
- Werribee - Wednesdays 3:10pm - 5:30pm (Primary level)
- Tarneit - Thursdays 3:00pm - 5:00pm (Primary level)

So if you're looking for a productive way to spend your spare time, enhance your resume, and gain extra skills whilst making a difference in our community, this is a great opportunity for you.

We provide training and any necessary support.

Welcome to Baden Powell College and the smooth beginning of your child’s school year!!

We have had a wonderful start to the 2016 school year with the students enjoying their first few days. To enable us to keep you informed of special events, celebrations and activities the Baden Powell College Newsletter will be available on our website each fortnight throughout the year. As it is one of our major forms of communication we would like to make it easy for you to have regular access to each issue so we have listed the dates of availability below, we will be emailing it to our families as well. Please take the time to read it so that you know what is happening at your child’s college. Simply go online and type in: www.bpc.vic.edu.au We would like to point out that it may be necessary for you to have Adobe Reader on your computer to access your newsletter.

Not only will you be well informed and enjoying colour photos, when perusing online, you will also be helping our environment. However, should you not be able to access a computer and would prefer your newsletter in printed form please complete the slip below.

If you have previously received hard copies of the newsletter you will be required to complete the form again so that we have updated details. Please complete the form below and return it to the office at your earliest convenience to enable us to provide your child with the printed copy of Baden Powell News. Have a wonderful term.
