Science Week
Last week thanks to the planning of the College Science Team under the leadership of Mary Donaghy, we had a week of focus on Science. We all know the importance of Science and over the course of the week many fascinating activities happened at Baden Powell College. Science Week newsletters were produced, a colouring competition, and a special Family Science Night held at the Tarneit Campus capped off what was an exciting week of learning. This year was the seventh year that we held a Family Science Night and from a humble beginning when around 47 people attended to now an event where over 240 people attended, it is very obvious that this opportunity is very much valued at Baden Powell College.

Taking photos/videos at College Events
At Baden Powell College we have families who have made it clear that they do not wish their children to be photographed or in a video. So when we have special college events, like the Science Night, we then ask that people refrain from taking photos or videos. You will see teachers taking photos at times but these teachers are very aware of the students who are able to be photographed. For the good of all, I must insist that you limit any taking of photos to your child.

Value of the Month-August Responsibility
We spend a lot of time and energy developing a sense of pride in our College. We ask that our students wear their uniform and conduct themselves in a friendly, respectful manner when relating to each other, teachers and college community members. We want our College to be clean and tidy and as such we teach responsible practises concerning environmental issues particularly the management of litter. As educators we always aim to be a role model for our students and to demonstrate responsible behaviour at all times. I plan on asking many students to tell me the responsibilities that they have at home.

Staff Car Park
Please do not park in the Staff Car Park during the school week. Many of my colleagues are working at both Derrimut Heath and Tarneit P-9 and travel across at various times during the school day, and this can be from 7am for meetings until 9pm of an evening, so please allow us to gain the use of the car parks designated for staff use.

A huge thank you to Coles for the wonderful fruit you gave each student at Baden Powell College. They truly appreciated it.

BOOK WEEK
This year Book Week runs from Saturday 20th August to Friday 26th August.
The theme is Australia - Story Country.

To celebrate literacy in its many forms Baden Powell College will be having a character dress up day for book week. We are having our dress up day on Tuesday 23rd August dress up for a gold coin donation. Children can dress up as their favourite character from a book or film.
Gold coin day, monies raised will go to future garden developments.

CHARACTER
DRESS UP DAY

Tuesday 23rd August

Help us celebrate Book Week by coming to school dressed as your favourite book/movie character!
Edunet Computer Services have been chosen as the company which will set up a portal where you will be able to order a variety of devices via the Internet. The Information session will advise families how to use the portal, how the BYOD program works, the payment options available, warranties, insurance, and added extras such as bags and skins. There will be samples of the devices on offer i.e. three Lenovo machines and one iPad.

Please don’t forget to let us know if you will be attending this evening?

The Netbook program will be open for **ANY** student at our college. We are suggesting a netbook for 1-6 and a laptop for 7-9 (like current program). 2014 & 2015 netbooks will continued to be supported. No netbooks can be returned as each lease is for 3 years.

Students who have a netbook from previous years are welcome to bring them and use them at the college. Technicians will be able to connect you to our network and Internet.

**BYOD Tablet**

ALL students are able to bring an iPad. These devices will be BYOD and will not be supported by the college technicians; although we will make sure that these devices are connected to the College Internet. Minimum requirements are: iPad2 or 3, iPad mini storage size not less than 16Gb. All Apps that will be needed will be on the College Website and we will keep all costs to a minimum.

**BYOD Laptop/Netbook**

If you have a laptop or netbook with the following requirements: **Operating System Device must support Windows 7+ or iOS X, Screen Size 9.7 inch (24.6 cm) minimum, age of device Less than 3 years old**, you are welcome to bring to school and for an annual cost of $25 the technicians will install the College Edustar image so that your device can be used.

Please be aware that the college will not accept any responsibility for any devices brought to school, stolen or damaged. Devices brought to school are not covered by BPC or the Department Of Education insurance. The College strongly encourages personal insurance or Apple Protection Plan.

Bring your own Device User Agreement

This agreement is to be carefully read and signed by a **parent or guardian**

When I use technology, both at school and at home, I have responsibilities and rules to follow. I agree to:

- be a safe user whenever and wherever I use that technology
- be responsible whenever and wherever I use technology and support others in being respectful in how I talk to and work or socialise with them and never write or participate in online bullying (this includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour)
- report to an adult if I feel uncomfortable or unsafe online or see others participating in unsafe, inappropriate or hurtful online behaviour

**Responsibilities of Students**

Students are expected to bring a device outlined in the Minimum Device Specification to school each school day and be solely the student’s to use throughout the school day.

- A device that does not meet the MDS will not be permitted access to school networks and services.
- Prior to bringing a personal device for the first time, students and their parents must
  - Read and sign **BRING YOUR OWN DEVICE USER AGREEMENT**
  - Pay the Software installation fee
  - Read and sign **Acceptable User Agreement** which sets out the responsibilities and expectations for use of the device.
- Students must use their device in accordance with the school’s Anti Bullying Policy, the Department of Education and Training policy Acceptable User Policy DET ICT and the school’s Information and Communication Technology Management Plan, Internet, Mobile Devices & E Smart User Policy which also incorporates BPC’s Acceptable User Agreement.
- Students must bring a fully charged device to school each day to participate in every educational activity.
- Students must use the device for educational purposes only while at school.
- Students must connect their device to the designated wireless data network supplied by BPC. Students must not connect to any other network, wired, wireless or cellular.
- Students must not bridge the BPC designated network to any other network.
- Students must follow teachers’ directions as to appropriate use of their devices in class.
- **DO NOT** use their device to: Film, record or take images unless it is supervised by the class teacher and directly part of the class program.
- Access Facebook, any other social media sites or any site that is not directly part of the school educational program and directed by a teacher.
- Each student is absolutely and solely responsible for the care and conduct of his own personal device whilst:
  - At school or at other school activities and travelling to and from school or to and from other school activities

**Responsibilities of Parents/Carers**

- Families of students entering the school will receive specific information to support the BYOD expectations of BPC, including that the device must be a personal device of student's own choosing and ownership, which meets the schools MDS.
Bring your own Device User Agreement (cont’d)

- Students requiring the use of an alternate device, for medical or therapeutic reasons, which does not meet the MDS must apply for and receive an exemption from the Specification before bringing such a device. The application should be submitted to the Principal, stating the reason for the request for exemption.

Responsibilities of Teachers
- Teachers will encourage and facilitate the use of students’ devices in their classes where it supports the curriculum.
- Teachers will be responsible for directing the use of a student’s device in the classroom and educating students on the safe use of ICT.
- Teachers should follow school procedures if a student is not meeting the AUA and/or the schools code of conduct.

Baden Powell College will
- Provide a wireless network with filtered Internet connection to which students may connect their BYOD program device.
- Provide (for a fee, if not purchased from Edunet) support to assist students when first bringing their device to school and establishing network connectivity.
- Accept no responsibility for loss or damage to, or for maintenance or repair required on a student’s own device.

Student Name:____________________________  Grade:_________________

I agree to abide by this BYOD agreement. I understand that the school is unable to accept responsibility for loss, damage or stolen devices. I understand that whilst the school is providing Internet access through WiFi, it cannot guarantee service beyond its control. I understand that the BYOD must operate within the scope of all school and behaviour management policies.

We have great student centered work being done in years 5 /6 at the Derrimut Heath Campus. The teacher and the education support staff wanted to cater to their students' needs and after regular discussion they have implemented normal opportunities for students to engage in real life maths.

Cooking enables the students to learn important life skills of food preparation such as cutting and pouring, safe use of cooking utensils, and cleaning up. Students engage in maths, estimating, measuring, fractions and weighing ingredients.

Sharn and Mahveen are engaging in shopping. The task is individualised to their needs. The girls engaged in determining how much money they have to spend, adding money using the calculator, selecting items form a shopping list and how much change they will get.
WYNDHAM SPELLING COMPETITION

Congratulations to the 16 finalists for the Wyndham Spelling Competition. Harry is the overall winner who will compete on the 2nd September against the other schools in Wyndham. We wish him all the best!!

More information to come soon
As most of you now know, Baden Powell College has invested in the use of a program called Compass. What many of you may not know is that we did this to have greater and faster communication with all of you to help strengthen our bond with you, our community. We are now using Compass to communicate with you about forthcoming events.

As we learn more about how to use Compass, we are adding items to the school’s website under the Compass Tab on the home page.

You will notice that we have now started including dates of events across Baden Powell College. To ensure that it is easy for you to access it should show up on your home page as you go into the link. It will indicate if events are for Derrimut Heath or Tarneit campus. We will let you know once the calendar is fully operational. There is a lot more functionality of the calendar through the full Compass website.

If you haven’t downloaded the application on your phone or iPad don’t forget you can have easy access with our website.

There will be plenty more coming your way about Compass over the coming weeks, so watch this space!

Information Evenings

Every year TSC run a number of open evenings for you and your parents so that you can make knowledge based decisions about your future. We advise our existing students who are moving into VCE or VCAL for the first time and we also offer tours and educational guidance to Year 9 students who may be interested in coming to our school. These evenings are an excellent way for you and your parents to learn about the subjects we offer, our extracurricular programs and the academic expectations of a Senior School! If you couldn’t make it to our information evening last week or you didn’t put in your preference form, you can still enrol at TSC, you just need to contact the school to ensure that you are in our designated neighbourhood area. Give Karrie, our Office Manager, a call on (03) 9749 0246 to find out.

Baden Powell College would like to sincerely thank the wonderful sponsors for our Breakfast Club that we run twice a week at each campus. Without the support of the magnificent Sikh community, Simon Fugazotto and these generous companies we would not have been able to provide for the many students who enjoy breakfast at school. We sincerely thank you from the staff and students of Baden Powell College.
ADVERTISING IN THE NEWSLETTERS

If you wish to advertise in the newsletter please contact Sue Love on 9748 8688 or 8734 0900. We produce a fortnightly newsletter that goes home to over 950 families. Or, if you have a sporting, dance club or group that is looking for a venue to hire we have some vacancies available during the week also contact me on the above telephone numbers.

Thank you. Sue Love
Welcome to Baden Powell College and the smooth beginning of your child’s school year!!

To enable us to keep you informed of special events, celebrations and activities the Baden Powell College Newsletter will be available on our website each fortnight throughout the year. As it is one of our major forms of communication we would like to make it easy for you to have regular access to each issue so we have listed the dates of availability below, we will be emailing it to our families as well. Please take the time to read it so that you know what is happening at your child’s college. Simply go online and type in: www.bpc.vic.edu.au We would like to point out that it may be necessary for you to have Adobe Reader on your computer to access your newsletter.

Not only will you be well informed and enjoying colour photos, when perusing online, you will also be helping our environment. However, should you not be able to access a computer and would prefer your newsletter in printed form please complete the slip below.

If you have previously received hard copies of the newsletter you will be required to complete the form again so that we have updated details. Please complete the form below and return it to the office at your earliest convenience to enable us to provide your child with the printed copy of Baden Powell News. Have a wonderful term.
