FROM THE DESK OF OUR COLLEGE PRINCIPAL

Parent Teachers Interviews
You will now have received information related to provision of your child’s Mid-Year Report for this year. I will be very interested to hear your feedback about the design of the reports and the fact that you receive them online. Please also note that you can request a hard copy of the reports if that suits your needs. In the second week of Term 3 we will be having Parent Teacher Interviews. It is really very important that you attend the Parent Teacher Interviews to be held to discuss your child’s semester report. Teachers will be able to show you the result of their assessment of your child’s work and importantly they will be able to suggest ways that you can assist your child to continue to improve in their learning.
Do take the opportunity to talk to your child’s teacher as we aim for 100% attendance at these interviews.

Holiday Homework
As the holidays approach I am going to ask that you continue to support your child’s learning over the holidays by encouraging him/her to read daily. A visit to the local library would be a fabulous way to entertain your child as there are lots of wonderful books to read and there are always other activities available for children. It would be great if you could get your child to begin a holiday diary complete with drawings or photos. Allowing your child to take lots of photos that are a visual representation by way of a photo story of some adventures had during the holidays would also be exciting. We do find that at times children regress in their learning over the holiday period and something as simple as daily reading can be enough to keep your child learning whilst having fun on holidays.

Working Bees for the College
I am very grateful to the families, who were prepared to attend a scheduled Working Bee, but unfortunately the weather forecast was dreadful and we had to make other arrangements. We have now scheduled Working Bee for Saturday the 9th of July at Derrimut Heath. This is very much a School Yard Blitz as we have quite a few trees and shrubs that need a prune and some garden beds that need a brutal weed and clean. I have been promised lots of males with chain saws and lots of people, young and older who will arrive at sometime between 10 am and 2pm to spend an hour or so at the Working Bee.

Lost Property
Each week we have so many items of school uniform left around the school ground and eventually placed in the lost property section in the school. Many items are difficult to give to children as they are not named, so I ask that you label each item of your child’s uniform. For parents who wish to view items of lost property you can always check at the office as to where they are stored at both schools. I would like to thank members of the Parents & Friends who often sort through jumpers, shirts, coats, shorts, hats and the occasional pair of trousers and return items to families who no doubt have spent many dollars ensuring that their child is in school uniform.

Thank you
Thanks so very much for all your support during the first two terms of this year. It was, as always, a very busy time with groups such as our Parents & Friends planning projects that raise much needed funds. The teachers and support staff continue to work with your children to make sure that they are learning to the very best of their capabilities. Now is the time to take a well-earned break and I hope that children and teachers enjoy this time to relax and recharge their batteries. I hope that you enjoy spending time with your child in a more relaxed manner and do remember that children continue to learn on holidays, so help them by taking them to a library, a park, a bush walk, the movies, and visit a place of interest. Enjoy the holidays!

School Surveillance
Unfortunately schools become a target for damage to buildings and sometimes theft during the weekend and school holidays so should you see any suspicious behaviour on the school grounds over the school holidays or the weekend could you please ring the police or the Education Department Security Management on 95896266. The money it costs to repair damage, clean graffiti and replace stolen goods could be better spent on resources to support the learning of your child.

Yours in Education, Looking Forward, Staying Ahead,
Julie Mason
College Principal

Thank you to all who helped us fundraise money to support the Foster Kids of Victoria. We successfully abseiled down the St James building raising $3400 to support the cause.

1800 551 800
We would like to extend a huge thank you to Anita, a parent from our Tarneit campus. She has been so helpful in tidying up and maintaining our gardens, turning up each week even in the cold and rain. We have had a number of parents/teachers who have given up their time to ensure the gardens at Tarneit have been developed, giving up time on their weekends and after school. We have also had parents volunteer to join in and support the development of two student garden clubs. It has been an amazing effort that has helped the shift in culture at our college. We sincerely thank you all and invite all parents along at either campus. We look forward to the Working Bee at Derrimut Heath on the 9th July from 10—2pm. Thank you

Jason Vandy

Baden Powell College is in the running for a $5000 prize for our Food Tech “Food Around the World” project. The more votes we get the better chance we have of winning. You can vote as many times as you like, but only ONE VOTE permitted PER DAY.

Please vote so that we can win.

Thank you for your support.

Welcome to Compass

Our school uses Compass as our Parent Portal. This information booklet is available for you on Compass under the heading Community and School Documentation

A guide for parents and families

What does Compass do for me?

Using Compass allows you to access up-to-date and meaningful information about our school and your child’s progress. Compass includes many different features, including the ability to:

- Monitor your child’s attendance, and enter approval for absence or lateness
- Communicate with your child’s teachers, and update your family contact details
- View your child’s timetable and the school calendar
- Monitor your child’s homework and assessment tasks
- Download and view your child’s progress and semester reports
- Book parent-teacher conferences
- Pay and provide consent for events and school fees

Our school will advise parents when each of these features becomes available for parent use.

Accessing Compass

Compass is a web-based system that is accessible on any modern web browser (Internet Explorer, Firefox, Chrome, Safari) or by using the Compass iOS or Android apps. Search for ‘Compass School Manager’ in the store.

Every family receives a separate login to Compass which will be provided to you by the school. To access the parent portal, go to our school website and click the Compass link on the homepage.

Alternatively, if you are having trouble finding the Compass link you can go to http://schools.jdlf.com.au where you can search for and find your school’s direct URL.

Logging in to Compass

To log in you will require your unique family username and password. These details will be provided to you by the school.

Upon first login, you will be required to change your password and confirm your email address and mobile phone number. These details may be used by the school for SMS, password recovery and email communication throughout the year.

If you have lost your details or forgotten your password, you can recover your details by clicking the ‘Don’t know your username?/Forgot your password?’ link on the front page.
The Compass home screen

The home screen provides you with relevant alerts and news, as well as quick access to your child's profile.

**School Calendar**

View details of upcoming events, your child's timetable and other relevant school-wide activities.

**Student Profiles**

Plus student profile allows you with access to full details of your child. This will include attendance, learning tasks, reports and much more. By using the Actions button you can send and parent approves, book parent teacher conferences, and email your child's teacher.

**Consent and Payments**

1. From the Compass home screen, click on the event alert under 'My News' (screenshot 1) or navigate to 'Events' under the organisation menu (screenshot 2).

**Student Profile**

Everything for your child, in one place.

**Schedule**

View details of upcoming events and your child's timetable, as well as other relevant school-wide activities.

**Chronicle**

View notifications made by school staff about your child.

**Further Information**

Under your child's name is a group of tabs, giving quick access to important information about attendance, learning tasks, results, and activities.

**Mein Menu**

Allows you to access other Compass and school news, the task bar allows you to update your contact details and change your password.

**Alerts**

Custom notifications for items that require your action or attention. These may include attendance notifications, ordering options for school photos, advance notifications, surveys, student lunch availability and more.

**News**

Reports school news, tips and information relevant to your child. The may include invitations, details of upcoming events and much more.

**Student Reports**

You can view a complete academic history for your child including Semester Reports and any Progress Reports created by the school about your student. You can download these at any time and print them if required.
Please note: With the attendance/absentness the time absent is based on lessons/periods not number of days. 3 sessions for a normal day for P-6 then each specialist lesson is also marked so on some days students will be marked 4 times. And 7-9 have 5 sessions a day.

Attendance: Entering a Parent Approval

1. From the Compass home screen (or from your student’s profile), click the ‘Actions for’ button for your child and select the ‘Add Parent Approval’ item.

2. From the pop-up window,
   - Select the reason,
   - Enter a brief description of the absence,
   - Select the start and finish time
   - Click the ‘Save’ button

Notes:
Where possible, parent approvals should be entered prior to the absence occurring.

Parent-Teacher Conferences

Using Compass you can book your parent-teacher conferences online.

1. Click the ‘Actions for’ button, beside the student you wish to make bookings for, and click ‘Book Parent Teacher Interviews’.

2. A list of parent-teacher interview cycles will be displayed along with their booking status. Click on the relevant cycle.

3. Your booking sheet will be displayed and will show all available booking times. Click on a time in the grid to display teachers available for booking at the selected time.

Note: You can view a teachers availability by clicking on the teacher’s name at the bottom of the booking page.
Learning Tasks

Individual student view
You can view an up-to-date record of your child’s homework and upcoming assessment tasks under the Learning Tasks tab in the student profile.

Consolidated view
If you have multiple children at the school, you can view a consolidated list by clicking ‘Learning Tasks’ from the Teaching and Learning menu item.

Privacy and Security

When you use Compass you will notice a padlock appears in your browser. This is because Compass uses a technology called SSL (Secure Sockets Layer). This means that your Compass session is encrypted and secure. Further, Compass adheres to PCI DSS compliance obligations to ensure any credit card details are managed safely, consistent with industry credit card regulations.

Please note: Any payments made online using Compass will appear on your credit card statement as COMPASSPAY.COM

We are committed to the privacy of your information. Full information on the Compass Privacy Policy can be found at www.jdl.com.au/policy/privacy

Cross Platform Access

Any browser, any time.

Compass is completely web-based and works on all modern browsers. Additionally, we have native apps for iPhone, iPad and Android devices.
TRADE FAIR

On Friday the 20th May, students from Year 8 participated in Trade Fair, which was the culmination of their studies of Business and Economics.

This year Trade Fair had a change of time and location. It was moved to the students learning spaces which allowed them more room for their stalls and to engage with their audience. It was also moved to a later time, attracting parents to come through and visit the learning spaces. It was fantastic to see so many parents making their way through and celebrating the student’s success. Thank you to all those who came on the day and all those who supported their children with materials, ideas, shopping and encouraging words.

Grade 5 and 6 students from both the Tarneit and Derrimut campus were asked to play a role this year. Year 8 students attended all the classes across the campus and informed them about the purpose of Trade Fair and the learning taking place in the Year 8 classrooms. They were asked to become judges, voting for groups in one of two categories: Favourite Business and Favourite Product. Grade 5/6s were given voting tokens to take with them through the fair and award at the end.

The students from Derrimut were bussed back and forth on the day and all had a fantastic time. They learnt from their older peers and are looking forward to our next experience together. The Grade 5/6 students of Baden Powell voted and their results are in, their votes have gone to:

Favourite Product:  **Sweet Sensations.**
Great work Courtney and Aicha

Favourite Business: **Sugar Rush**
Fantastic job Isaac, Emily, Shivani and Sienna

Favourite Business: **MST Tie Dye**
Excellent Mia, Samira and Tylar

As always our fantastic teachers, student teachers, support staff and leadership team, took the challenge of being assessors on the day. They Year 8s loved having you through and the chance to show all their skills and hard work. The judges have a set criteria which determines the overall winner of Trade Fair. This group will receive their prize and recognition in an upcoming assembly.

The winner is:  **Le Clair de Lune**
Well done to Floreta, Kundanika and Jessica for their amazing effort!!!!

Thanks to all the teachers and students for their amazing work in making the day such a fantastic success!!!
DERRIMUT HEATH CAMPUS SCHOOLYARD BLITZ
Derrimut Heath families please note an important date change to our Schoolyard Blitz on our school grounds. Due to inclement weather we have changed the date to Saturday 9th July still between 10am and 2pm.

Can you please try and make this date to help us enhance our gardens and create a more aesthetic environment for our students. We do hope to get a lot of work done at this whole school working bee so that our students can return to school in a nice tidy environment. We certainly need your help, even the children can help by pulling out weeds.

Please come and support our Blitz and everyone is welcome, for a half hour, or come for 4 hours, we will appreciate all the assistance you can offer.

To assist us in improving these gardens we would appreciate you bringing along some tools. We will need chainsaws, mowers, whipper snippers, rakes and brooms, gardening equipment such as small shovels, weed removers and the like.

There will be refreshments available. Please let Ms Mason know how many of your family and friends are coming, so that she knows how many to cater for, by sending back the note below urgently.

Welcome to Baden Powell College and the smooth beginning of your child’s school year!!

We have had a wonderful start to the 2016 school year with the students enjoying their first few days. To enable us to keep you informed of special events, celebrations and activities the Baden Powell College Newsletter will be available on our website each fortnight throughout the year. As it is one of our major forms of communication we would like to make it easy for you to have regular access to each issue so we have listed the dates of availability below, we will be emailing it to our families as well. Please take the time to read it so that you know what is happening at your child’s college. Simply go online and type in: www.bpc.vic.edu.au We would like to point out that it may be necessary for you to have Adobe Reader on your computer to access your newsletter.

Not only will you be well informed and enjoying colour photos, when perusing online, you will also be helping our environment. However, should you not be able to access a computer and would prefer your newsletter in printed form please complete the slip below.

If you have previously received hard copies of the newsletter you will be required to complete the form again so that we have updated details. Please complete the form below and return it to the office at your earliest convenience to enable us to provide your child with the printed copy of Baden Powell News. Have a wonderful term.
