Child Safe Standards

I am now in a position to say that we have completed an audit against the seven Child Safe Standards and we meet all standards. The need for all organisations that work with children to adhere to the stated standards is mandatory and come as a result of the investigation into child abuse in religious and non-government organisations. All schools need to have a child safe policy, a code of conduct that establishes clear expectations for appropriate behaviour with children and processes for responding to and reporting child abuse. We have introduced a form that we will ask all members of staff to complete that is a commitment to a set of acceptable behaviours to be shown in relation to the implementation of the Child Safe Standards at Baden Powell College. We will display at both schools a Statement of Commitment to Child Safety and this will note a zero tolerance for child abuse. We will continue to listen to and take student concerns seriously. We are a College that promotes intercultural understanding and actively promotes cultural respect for children from an aboriginal and/or linguistically diverse background and we are committed to providing a safe environment for children with a disability. The policies and documents related to the Child Safe Standards will be on our web page for you to read.

Concert

Please note the change of arrangements with regards to the College Concerts. Some students are not able to perform and this has meant that we can now only allocate one day for each school, where all available students can perform. We do want to allow you to celebrate the achievements of your children and a fabulous way is to see the year in review by way of a performance. The concert will focus on special programs, topics and learning initiatives. With regards to the dates the concert for Derrimut Heath will still be on Tuesday the 29th of November and then Tarneit on the 30th of November. I hope to see you there.

Friendly School Environment-Peer Mediation

As a school we have a zero tolerance towards bullying behaviour. We promote and model the values and friendly respectful behaviours that we expect at our school. We talk about student choices and consequences and provide a framework and guidance within which our students need to behave. As a support to students in the playground we are one of the very few schools who provide the Peer Mediation program. Students are trained as Peer Mediators when they are in Grade 5/6 and take turns to patrol the school yard. We strongly encourage younger students to approach the Peer Mediators with any concerns that they have especially if they are feeling unsafe because of what they perceive as bullying behaviour. The Peer Mediator program works well when students use it so please talk to your child about the program and encourage them to use the Peer mediators if necessary.

Compass

As you no doubt understand we have introduced a wonderful program called Compass. We have almost all families signed up to Compass and if you have not as yet accessed a logon and password please contact the Administration Team or your child’s teacher and we will assist you to connect to our College communication program. Once connected you can pay for excursions, see that your child has been marked as present at school, chat online to your child’s teacher, see the progress that your child is making in their learning and generally have up to date information about all the activities at Baden Powell College.

Yours in Education, Looking Forward, Staying Ahead, Julie Mason College Principal

COLOUR FUN RUN/WALK

The Earlyact students would like to thank everyone for their tremendous support to the Color Fun Run/Walk day. We raised $750 between our campuses, a wonderful effort. Thank you again for your support.
Rugby
On Friday the 4th of November the 5/6 boys and girls from Derrimut Heath competed in the Truganina District Rugby Tournament. Our Derrimut Heath girls’ team were successful in a very challenging game against our Tarneit Campus but unfortunately lost some very close encounters in our other three games. Our Derrimut Heath boys’ team tried really hard all day and got better as the day went on. The boys lost 2 games, won 1 and tied 1. In the semi-final they unfortunately lost to our Tarneit Campus in a thrilling game that was going try for try. Thank you to all competitors that competed in the Truganina District Tournament.

T20 Blast Cricket
On Wednesday 26th of October the Grade 5/6 girls and boys from Derrimut Heath competed in the Truganina District T20 Blast Cricket tournament. The girls won all their rounds and are through to the next round that will be held in Epping on the 28th of November. Unfortunately the boys’ team were not as successful but had a great time and won a few games as well.

Baden Powell College would like to sincerely thank the wonderful sponsors for our Breakfast Club that we run twice a week at each campus. Without the support of the magnificent Sikh community including Sunil, Simon Fugazotto and these generous companies we would not have been able to provide for the many students who enjoy breakfast at school. We sincerely thank you from the staff and students of Baden Powell College.
