FROM THE DESK OF OUR COLLEGE PRINCIPAL

Valediction and Graduation Week
This week is a wonderful week of celebration when we acknowledge the achievements of our students in Grade 6 and Year 9. I enjoy seeing the look of pride on the faces of the parents, grandparents and family members who attend the special ceremonies that are planned for these special students. Our teachers go to such a lot of trouble arranging these events, deciding on who receives the special awards, sorting out tickets, catering, seating, performances and displaying wonderful student work for us all to enjoy. A tinge of sadness is felt as we bid farewell to many families who have been such an amazing part of our College Community often for more than fifteen years.

The End of another Year
Your College has a mission that seeks to ensure that all our students perform to their personal best at all times at school. Student outcomes data that we are collecting suggests that we are seeing significant improvement in Reading and Mathematics and the Naplan data supports this in relation to spelling as well. The feedback that you have given us through the Parent Opinion Survey notes that you are particularly pleased with the stimulating learning that is evident in our learning spaces. The now annual Soirée and the College Concert enabled your children to show their artistic prowess in Visual Arts and Performing Arts. It was terrific to see so many students participate in the camps and excursions held during the year. Student leadership has been a feature of Baden Powell College and along with a comprehensive program that involves Class Captains, Campus and College Captains we have two special Rotary Sponsored leadership programs Earlyact and Interact. Our student leaders have organised some pretty amazing activities for their peers and to fundraise for worthy charities both in the local and international community. Shortly you will receive your child’s school report and I am sure that you will be proud of their achievements. For those who have ordered the College Year Book you will see your child’s work featured proudly. Celebrate your child’s success, talk to them about their future learning goals and be assured that we will be just as determined to facilitate focussed learning opportunities in 2017.

The Staff
As College Principal I have been very fortunate to work with a most amazing group of teachers and support staff. The College Staff has worked extremely hard to provide quality learning for your children. The Leadership team of Assistant Principals and Leading teachers, the Administrative Team at the front office, the cleaning team and highly professional dedicated teachers and teacher aides have all worked to support our College families. Each year we farewell staff members who leave us for different reasons and we will be forever grateful for the wonderful service given to our College.

You will receive notification of your child’s teacher for 2017 late next week. We take considerable time and effort to carefully place children in suitable learning spaces with great teachers. Please do not immediately contact us if at first glance your child is not happy with the grade placement as my experience is that by the end of February children have well and truly forgotten any concerns raised in December.

Parents & Friends
I would like to thank the wonderful members of the College Parents & Friends who have worked so hard to support Baden Powell College in this very busy year. The fundraising events do ensure that we are able to provide a range of teaching resources for your children, and I strongly encourage you to get connected to the Parents & Friends in the future. You can come to monthly meetings, help with projects like the Mother’s Day and Father’s Day stalls, or just receive regular emails to keep up to date with the activities of the Parents & Friends.

Voluntary Helpers
As a College we have so many people who regularly assist us in the classrooms, and in the Library. We have parents who do the student banking, look after lost property and assist in the school gardens and we are ever so appreciative of this assistance.
College Council
The other very important group in the College is the College Council. Your College Council consists of parent representatives and staff representatives who meet regularly to form policies and give guidance and support so that we can maintain excellent programs for your children. We are always interested in attracting new parents to our College Council so if you are interested please call or email me to talk about this matter.

The Start of the College Year
Last week you will have received letter telling you about the arrangements for the payment for books and requisites for your children for 2017. Many people are using Compass to make the payment required and will only need to collect books on the day designated for either Derrimut Heath of Tarneit.

Parent Teacher Interviews
We plan to conduct Parent Teacher Interviews in the second week of Term 1 next year. You will receive a letter about this when you collect your books and supplies next year.

Yours in Education, Looking Forward, Staying Ahead, Julie Mason College Principal

BREAKFAST CLUB
Please note as of Tuesday there will only be toast with spreads and fruit salad available for next week’s Breakfast Club. Thursday will be the last Breakfast Club for the year as there will be none on the last day of school. Thank you for understanding. We do thank all of our sponsors and volunteers that have helped us serve the students throughout the year. We truly do appreciate your support.

Kaye McKee on behalf of the Breakfast Clubs at each campus
As 2016 draws to a close, I would like to thank the Parents and Friends committee for their ongoing help and support. As a team, we have raised close to $23000, which will go towards much needed school resources across both campuses. The team has worked diligently behind the scenes, coming up with new ideas such as the Halloween Disco, as well as making sure the items in the stalls are as exciting as possible for the students to choose from. Over the next few weeks, we have plenty still going on, from the Christmas Stalls at each campus, to Carols in the Courtyard held at the Tarneit campus, On behalf of all committee members, we wish you a safe and happy holiday and thank you all for your support.

Merry Christmas,
Heather Gorman

Thank you to all parents and students who supported the Baden Powell College Concert.

We appreciate you supporting the new format for this year and hope that you enjoyed the wonderful talents of our students.

Have a wonderful holiday break from the Concert Committee.
On Thursday the 24th of November, the Grade 3/4 Future Star regional champions set out to compete in the State Finals of Hoop Time. These six students; Tyson White, Aayan Nadeem, Shirani Singh, Silviu Cringasu, Hannah Fuentes and Denaya Santos played with vigour and integrity and led our school to some impressive results. Winning their first two games, Baden Powell Future Stars qualified for the final 24. Ultimately they lost in a tightly fought knockout stage, but left nothing on the court. A brave effort by our students! Well Done Team Baden Powell. You made us all very proud.

YEAR 5-6 RUGBY: THE BILLY SLATER SHIELD

Friday the 4th of November we had a rugby comp, we played 6 games and won all of them. When we got to the finals we faced off with the 3 time state final team, The Grange, by the end of the game it was a tie. Then we went to golden try which we got. The boys where exhausted, most of us fell to the ground and couldn’t get up. It felt great to be the first B.P.C rugby team to ever win district undefeated which does feel extremely great. By Ave

Friday the 4th of November was a bad but a fun day, only because of rugby. We had it for the whole day which meant I had a whole day off school (YES!!). One way that wasn’t so good was that it was hot, and, to make things worse, it was windy.

This also meant I got a dry mouth.

We had to play one game after the other (which was about six games). But since it was my first time playing rugby it was fun. I also got player of the match and so did some of my other friends, Haretana and Ave. The highlight was we won the grand final and now get to play in State Finals.

By Baxter

On Thursday 17th of November, the Year 5-6 Boys Rugby team travelled to Elwood to compete in the Billy Slater Shield State Finals. Schools who’d won their district competitions from across Victoria contended in a pool competition to see who’d play in the State Grand Final. Despite the heat, the team played to the best of their ability against strong competition. In the end, the team from Baden Powell College, ranked third in their pool. Well done to all of the boys who played! By Mr Fellows

A FESTIVE COMING TOGETHER FOR OUR WHOLE COMMUNITY.

As a celebration of our wonderful year the Baden Powell community will be holding an evening of Christmas Songs on Thursday 15th December at 6pm.

This special event will be held in the Courtyard of the Tarneit Prep – 9 campus, along with the Twilight market which starts at 3.15pm.

The students will entertain us with their harmonious sounds wearing their favourite festive clothing, and accessories. Mark this date in your diary so that you can look forward to an evening of melodious merriment. The Twilight market will have a great variety of stalls such as succulents, quilts, baby presents, novelty toys, candles, kiddies kutters, cards, scrapbooking, soaps, kids clothing and many ideas for great Christmas gifts.

And don’t forget our fresh fruit and veggies that are always delivered that day.

To make it easier for our working families there will be food trucks available such as

Happy Gelati
Hot Chips
On Thai
Loco Churro
Pizza 2 U
Potato Twister

Please be aware that there is a possibility of your child being included in photographs and / or video taken by staff and others in attendance. Baden Powell College staff may use such photos for college / history purposes. If you have any concerns, please contact your child's class teacher.

We look forward to sharing this wonderful evening with the Baden Powell College Community.

Ms Mason College Principal

BREAKFAST CLUB THANKS YOU

Baden Powell College would like to sincerely thank the wonderful sponsors for our Breakfast Club that we run twice a week at each campus. Without the support of the magnificent Sikh community including Sunil, Simon Fugazotto and these generous companies we would not have been able to provide for the many students who enjoy breakfast at school. We sincerely thank you from the staff and students of Baden Powell College.
