NAPLAN Results

Our College Naplan results have arrived and soon you will receive your child's results. Over the next few weeks we will be analysing our results and looking at ways to improve our teaching. We look at consistent errors made by students and investigate how we can best teach to change this for the future. In the next Newsletter I will share some of the College trend data.

Updated Web Page

At the moment we are completing a review and change to our College Web Page. Stay tuned for a fresh new page that will be launched soon.

Chocolates Derrimut Heath

Just a reminder for our fabulous families from Derrimut Heath that we do need your money returned from the chocolates sold by the end of the Term at the very latest. We are so grateful for the support that you give to the Parents & Friends in the fundraising activities that they organise.

Value for September and October-Tolerance

We have a firm commitment to teaching a Values Program at our College. The Value for September and October is Tolerance. The slogan that we have developed for Tolerance is "Be a Mate and Tolerate". In teaching tolerance to your children, we will have a focus on the following:

- be aware of others and their cultures
- accept diversity within our democratic society
- be included and include others

We will be teaching your children the importance of understanding that people are different physically, socially, culturally and that acceptance of difference with compassion, understanding and empathy encourages tolerance within our school culture. It is now a great time to reinforce tolerance with your children and of course, the best way is to model tolerant behaviour yourself.

Performance

Tickets are on sale, and remain at the price of $5, for the **Annual College Concert** that is to be held next week. The Concert for the students in Prep to Year 4 at the Tarneit Campus will be held on Tuesday the 11th of September, whereas the Concert for the students in Years 5-9 will be held on Thursday the 13th of September. For Derrimut Heath all students from Prep to Year 6 will be performing on Wednesday the 12th of September. Each day there will be two concerts starting at 5pm and then at 7pm with a theme of **Friends 4 Life** guiding the selection of song and dance.

Yours in Education,
Looking Forward, Staying Ahead,

Please don't forget to order your tickets now. You must bring them to the concert when attending. All students in Prep to Six and special acts from 7-9 will perform at the two concerts each on their allocated nights listed below at our Derrimut Heath Sycamore St campus.

Tickets Sales

As you are aware Ticket Sales for all concerts are now available and they are all being held at the Derrimut Heath Campus. It is only $5 dollars per ticket. We recommend pre – book ing as there could be no door sales. It is first in best seated as very limited seats available. You do NOT have to buy a ticket for the student performing. You must bring your tickets on the night.

Your child will need to have the following items on performance nights:

Students need to bring a bottle of water and a substantial snack to eat between concerts. It is recommended that it is a healthy snack and drink such as water; It would be appreciated if the snacks are nut free, as we do have children with severe allergies. It is recommended that there are no bright coloured fizzy drinks or foods so that the children do not react in a hyperactive manner. Please do not bring lollies or hot food as we cannot microwave food. Once again we do ask if you could please be mindful of allergies in our classroom. A pillow that they can rest on (if you choose)

Please DO NOT bring electronic devices including Phones, iPads, or game boys. They are NOT to be brought to the concert by students as we cannot guarantee their safe keeping.

On performance nights:

The students will have to be signed **in** and **out** of the rooms when they are dropped off and picked up. **They will not be allowed to leave the rooms to meet parents. They must be collected from the class room. We do ask that you DO NOT video or take photos during the performance, not only so that the students aren't distracted, but also for consideration of those sitting near you and the privacy of our students. There will be a video and DVD of photos available for you to purchase, it will be produced by the school for your memorabilia.** Please be aware that at the performance there is the possibility of your child being included in photographs and / or video taken by staff. If you have any concerns or wish to discuss the matter further please speak to your classroom teacher as soon as possible. Baden Powell College staff may use such photos/videos for our year book, college and classroom purposes.

All mobiles will have to be turned off on entry to the gym so that it does not interfere with the technical equipment, e.g. sound and lighting.

After performances:

Please wait outside the room to collect your child until the door opens (This allows us to ensure each child is changed and that all costumes remain in the correct area);

Ensure you sign out your child before leaving.

Your child must be signed our by a parent or carer, siblings **CANNOT** pick up students

We look forward to presenting their talents to our College families at this very special College event.

RESPECTFUL RELATIONSHIPS

Student Forum

On Friday 31st August, five of our wonderful students came to school on curriculum day to work with students from Point Cook senior Secondary College to lead a Respectful Relationships Student Forum.
Ashley Mitchell, Tora Kwansah, Najiha Jaman, Nikita Siwan and Victoria Haddara worked for many weeks in the lead up to the forum to plan the activities and prepare the information they were going to present.
On the day, our students presented to over 70 peers from various colleges in Wyndham and what an amazing job they did! Tora and Ashley started the day with a great nametag activity that encouraged people to introduce themselves to one another. Victoria spoke about why Respectful Relationships is such an important program and had the students participating in activities about issues that young people regularly face as well as the impact this can have on their mental health. Najiha and Nikita led an activity about the character traits that are important for leaders to have. They asked each group to share their thoughts about this and then confidently summarised this information.
The day was a great success and we received some very positive feedback from the staff and students from the other schools that attended.
I sincerely thank Ashley, Tora, Nikita, Najiha and Victoria for willingly coming to school on their 'day off' and congratulate them for all of the fantastic work that they did. ***Sarah Hamilton***

RUOK? FUNDRAISER – SEPTEMBER 13TH

The BPC Student Representative Council (SRC) are hosting a mental health awareness and fundraiser day. Mental health issues such as depression and anxiety are far more common than people often realise. We want to remind everyone that they have the power to make a difference to someone's life, simply by asking R U OK?

In any one year, around 1 million Australian adults have depression, and over 2 million have anxiety. *(beyondblue.org.au)*

The most recent Australian data (ABS, Causes of Death, 2015) reports deaths due to suicide in 2015 at 3,027 people. *(lifeline.org.au)*

These are heartbreaking statistics.

Please support the campaign by:

- Asking someone if they're ok.

- Wearing YELLOW on September 13th

You can wear free dress to school that day, as long it is YELLOW, or wear your uniform with a yellow accessory. We ask for a gold coin donation, to give to the RUOK charity.

1. Ask

2. Listen

3. Encourage action

4. Check in

Congratulations to our students who's work made it to the IMAGINE STATE-WIDE ART GALLERY. You should be very proud.

Congratulations to Jasmin from TEO who got 30032 Points in Mathletics. What an outstanding score.

A gentle reminder that we distributed the "Food Around the World" calendar to all families last year, but unfortunately there was a typing error stating the students finish school in November i.e. 21/11/18. NB: This date is incorrect and students must come to school until the end of December. The correct date for the last day of term four is FRIDAY 21st DECEMBER. I do apologise for this error and ask you to amend your calendars accordingly.

Thank you All Green Nursery
