BADEN POWELL COLLEGE – GRADE THREE STUDENTS

Dear Parent/ Guardian,

Baden Powell College is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions for 2024. Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

The ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your continued support. This makes a difference to our school, your students and the programs we are able to offer.

Outlined in this document is a list of curriculum stationery items for your child's grade level. Our staff have reviewed and refined the list to ensure that all items have a purpose. This year we have organised these in advance as we have received parent feedback that the start of the school year can be financially difficult for parents having just got through Christmas and the holiday period. This allows parents to organise payment prior to the start of the school year and the busy Christmas period.

We have shopped around and have found that Winc are a competitive supplier and are passing on bulk purchasing prices to our families. This can now be ordered and paid for online for parent convenience via the Winc portal

- click on the link <https://www.wincschools.com.au> or visit the website
- search school
- click on the 'Get the requirements List'.
- Enter your details and choose your grade level.

Winc are offering FREE delivery for all orders made on or before December 8, 2023. After this time each family order will incur a \$16.95 delivery fee. This will be delivered by Australia Post to your home. Students will bring their book pack to class on the first day of school in 2024.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Vicki Minton
College Principal
