## FROM THE DESK OF OUR PRINCIPAL

### A successful start for our College Year

I am pleased to say that we have had an excellent start to the 2020 College Year. **Thank you** for playing your part in ensuring that your children have their book box and general supplies. The students in both Prep and Year 7 along with students new to Derrimut Heath and Tarneit P-9 seem very happy to be a student at our College. It is pleasing to see the commitment to wearing the College Uniform and if you are unsure of any matters to do with the uniform please just check the Uniform Policy.

At Baden Powell College we have a **Student Code of Conduct** along with a **Staff Code of Conduct** and a **Community Code of Conduct** and these documents explain how we will all communicate and treat each other. You will find that your child's teacher is a wonderful source of information and that Compass, and in some cases your child's diary, is available to arrange the best time to talk. I encourage you to maintain a positive, friendly relationship with your child's teacher and remember that the **College Leadership Team** are available at any time should you need us.

### College Elections

Baden Powell College is governed by a College Council that has representation from parents and staff. The College Council is charged with the responsibility of deciding on policies related to the College and manages the financial decisions. The Council meets at least 8 times a year and is supported by Sub Committees, namely **Finance** and **Education**. Should you have any questions about the role of a College Councillor please call me on either 97488688 or 87340900.

### Privacy Policy

The College Council has approved a policy that explains our position on matters related to privacy issues. A copy of this policy is available to you upon request to the office at either Derrimut Heath or Tarneit P-9. We understand that some families have concerns related to the taking of photographs of their children. We have a process in place that allows you to indicate that you do not give permission for us to take images and use photos of your children, and we will adhere to your wishes. We do not have the authority to insist that parents and visitors who come to view student performances not take photographs of these performances. We will continue to request that such photography not occur and we will provide notification prior to each performance, so that parents can negotiate alternative arrangements with classroom teachers. Should you have concerns or wish to discuss this matter please contact the office at either Derrimut Heath or Tarneit P-9 to arrange a meeting with any member of the Principal Class Team.

### Students Arriving at School

It is very important that children arrive at school at 8:50am at Derrimut Heath and 8:35am at Tarneit P-9. The bell rings and they enter the classrooms ready to start the school day. Children who arrive at school after the designated school start time need to have a **late pass** before they go to their classroom and will almost certainly have missed important learning opportunities. Teachers have **meetings** to attend at the end of the school day and hence no supervision is provided beyond 3:15pm at the Tarneit Campus and 3:30pm at the Derrimut Heath Campus.

**Looking Forward, Staying Ahead,** *Julie Mason,* **College Principal**

*It is that time of year when we are excited to let you know that school photo days will be taken in the last week of February. We have a wonderful new company we are using this year called Advanced Life, they have been producing high quality photos for over 30 years. Photo envelope orders will be sent home tomorrow but we have attached information for each campus below.*
