

SUBJECT SELECTION FORM
YEAR 7 2020

You are asked to select four preferred choice subjects and three supplementary choices. The supplementary choices will be allocated if it is not possible for the College to run a preferred subject.

It is highly recommended that you sit with your family and discuss the subject selection together. All Year 7-9 staff are also able to support you and offer advice or answer any questions. If you have any questions about a specific subject, it would also be a good idea to talk to the teacher who ran that subject this year and the students who took part in it.

A copy of the subject booklet is available on COMPASS.

Please return this form to Mr Maki and Miss Hamilton's office (place it in the tub just inside the door)

Student Name

Please indicate your subject preferences below.

Preference 1:	Preference 2:
Preference 3:	Preference 4:

Supplementary Choice 1:	Supplementary Choice 2:	Supplementary Choice 3:
-------------------------	-------------------------	-------------------------

Please circle or highlight one of the three options below.

EARLY START	NORMAL HOURS	LATE FINISH
I would like to participate in the Early Start timetable. Hours are 7:25am-1:10pm on Tuesdays, Thursdays and Fridays.	I would like to keep my school hours the same each day. These are 8:45am-3:00pm.	I would like to participate in the Late Finish timetable. Hours are 9:55am-4:20pm on Mondays, Thursdays and Fridays.
I have consulted with at least two trusted people regarding my choices and I am satisfied that these selections will compliment my education at BPC.	I am aware that my child's core subjects will be complimented by the choice subjects above. I am aware that my child may not complete a subject in every learning area offered by BPC.	I have viewed the subjects this student has selected. I have had a discussion regarding these choices with the student.
